#### 7. Tax Withholding

- **We will automatically withhold 10% Federal Income Tax from the taxable portion (NQ contracts) or the gross amount (all IRAs) of your withdrawal if you do not make an election or if you check Option B below.**
- If no election is made, we must withhold at a default 10% rate from your payment. If you want a different tax withholding, please submit IRS Form W-4R along with this form, and we will withhold as instructed on your Form W-4R. IRS Form W-4R is available at [www.irs.gov](http://www.irs.gov).
- If you take distributions before you are age 59½, including those under which the withdrawal charge is waived, as described in your contract, a penalty tax of 10% of the taxable portion of your distribution may apply in addition to the income tax. Please consult your tax advisor.
- If this is a Roth IRA, even though your distribution may not be taxable, we are required to withhold Federal Income Tax from the gross amount of distribution, unless you elect out, as shown below. You will be able generally to compute the taxable amount, if any, of your Roth IRA withdrawal on your own tax return. We do not have to withhold if the distribution is clearly tax-free (for example, you have held this Roth IRA for more than 5 years and you are older than age 59½).
- If this is a QP contract and this is an eligible rollover distribution, we will withhold 20% and you cannot elect out. If this is not an eligible rollover distribution, 10% withholding applies.
- If you elect not to have withholding apply to your lump sum payment, or if you do not have enough tax withheld from your payment, you may be responsible for payment of estimated tax. You may incur penalties under estimated tax rules if your withholding and estimated tax payments are not sufficient.
- Certain states may also require us to withhold state income tax if Federal Income Tax is withheld. In most cases, your Federal withholding election would also apply to a state withholding election, although the rate of tax may vary among states. Please note, however, we will only perform mandatory withholding if required by state law.
- If you are a US citizen/legal resident and the check is sent abroad, we must withhold tax.
- If you are not a US citizen/legal resident we require additional information. In addition to this form, please send us a letter requesting this withdrawal, indicating your current residence and citizenship status, along with an IRS Form W-8BEN. We will withhold 30% tax unless your Form W-8BEN properly indicates to us that we may withhold at a different rate.

---

## 7. Tax Withholding (Continued)

- **Please be advised:** Due to IRS implementation of the Foreign Account Tax Compliance Act (FATCA), taxable disbursements made to entity (business or trust) owners/payees may be subject to 30% withholding if proper documentation is not on file. Proper documentation is considered to be a properly completed and signed IRS Form W-9 for domestic entities. Foreign entities are expected to submit a properly completed and correct type of IRS Form W-8. In the event proper documentation is not on file with Equitable US (Equitable, MLOA & USFL), we will withhold the required 30% upon disbursement. For further details regarding the FATCA rules and regulations and how disbursements may be affected, please contact your tax advisor.
- Please consult your tax advisor for rules that apply to you.

### Withholding Election:

- A.  I **DO NOT WANT** Federal Income Taxes and state income tax (if applicable) withheld from the taxable portion of my benefits.
- B.  I **WANT** 10% Federal Income Taxes (and state income tax, if applicable) withheld from my benefit.
