7. Terms And Conditions

1. I understand that if, in Section 4, I use any variable investment option other than the EQ/Common Stock Index, Multimanager Aggressive Equity, EQ/Moderate Allocation or EQ/Money Market option, and my contract does not currently permit the use of such options, I am agreeing to amend my contract to add these new options and understand that the fees, charges and investment restrictions described in the current EQUI-VEST prospectus will apply.
2. You can change the way your savings are invested at any time by sending us a *Request For Service* form or by using the Telephone Operated Program Support (TOPS) System.
3. You cannot elect both the Automatic Transfer of Interest and Automatic Transfer of Fixed-Dollar Amount methods simultaneously.
4. You cannot elect the Investment Simplifier program if the Asset Rebalancing Program Option II is in effect.
5. If you request a transfer while the Investment Simplifier program is in effect, we will process the transfer as requested; the Investment Simplifier program will remain in effect unless you request that it be canceled in writing.
6. Investing in the variable investment options does not guarantee a profit or protect against loss in a declining market. (Of course, the principal in your GIO is not affected by the stock market.)
7. The amount withdrawn from the GIO may be limited if you invest or reserve the right to invest in the EQ/Money Market, EQ/Intermediate Government Bond, EQ/Quality Bond Plus, EQ/Core Bond Index or Multimanager Core Bond. Please refer to your prospectus for more information.
8. Financial transactions will be verified by a confirmation notice. If you do not receive a notice within 14 days of the transaction, please notify us immediately.

Automatic Transfer of Interest.

9. Equitable will verify that a minimum of \$7,500 is in your GIO as of the first business day of the month following receipt of this form by Equitable's EQUI-VEST Processing Office. The first transfer will occur on the last business day of that month, and future transfers will occur on the last business day of each month.
10. If the amount in your GIO falls below \$7,500 at the beginning of the month, no transfer will be made that month. The interest sweep feature will automatically stop if this occurs for two consecutive months.

Automatic Transfer of Fixed-Dollar Amount.

11. Equitable will verify that a minimum of \$5,000 is in your GIO upon receipt of this form by Equitable's EQUI-VEST Processing Office. The first transfer will occur on the last business day of that month, and future transfers will occur on the last business day of each month.
12. This election will automatically stop under these circumstances: the number of transfers indicated on this form have been completed and the balance in the GIO is zero.
