"Important Information if You Are Currently Enrolled in the Semester Strategies Program:"

If you choose to elect Dollar Cost Averaging, such election will terminate your participation in the Semester Strategies program ("the Program"). You understand that your current investments and allocation instructions for contributions will not be changed unless you provide new instructions. By terminating the Semester Strategies program, the current segment maturity instructions provided under the Program will remain on file with Equitable and your Segment Maturity Value will continue to be invested in future Segments according to those instructions. If you do not wish to continue investing in the Structured Investment Option, you should consider changing your segment maturity instructions. You can reallocate your investments or provide new allocation instructions by logging into www.equitable.com, contacting my financial professional or by completing this form. Any features that were previously unavailable during my participation in the Program will now be available.

3.	Choose One Of Two Investment Methods
var	ch program transfers a given amount automatically from the Guaranteed Interest Option (GIO) to the liable investment options. The GIO earns a fixed rate of interest, while the variable investment options are signed for faster growth. Automatic Transfer of Interest (a minimum of \$7,500.00 is required in GIA) The monthly sweep of interest from your GIO can be transferred either entirely into a single variable investment option or into more than one variable investment option. Please complete Section 5, Percentage Amount. Automatic Transfer of Fixed-Dollar Amount (a minimum of \$5,000.00 is required in GIA)
	A monthly fixed-dollar amount (\$50 minimum) is transferred from the GIO into one or more variable investment options. Please complete Section 5, Dollar Amount.
4.	Choose Your Variable Investment Option(s)
A.	If you selected Automatic Transfer of Interest:
	 If you decide to transfer interest to only one variable investment option, write 100% next to your selection on the following page; or
	 If you wish to transfer interest to more than one variable investment option, write whole-number percentages in the spaces next to the variable investment options you have selected. These percentages must add up to 100%.
В.	If you selected Automatic Transfer of Fixed-Dollar Amount:
	Indicate the monthly total amount to be transferred from the GIO: \$ Select Funds — indicate whole number dollar amounts next to your selection on the following page.
	Select a transfer duration: 12 months 24 months 36 months until zero balance in GIO

7. Terms And Conditions

- 1. I understand that if, in Section 4, I use any variable investment option other than the EQ/Common Stock Index, Multimanager Aggressive Equity, EQ/Moderate Allocation or EQ/Money Market option, and my contract does not currently permit the use of such options, I am agreeing to amend my contract to add these new options and understand that the fees, charges and investment restrictions described in the current EQUI-VEST prospectus will apply.
- 2. You can change the way your savings are invested at any time by sending us a *Request For Service* form or by using the Telephone Operated Program Support (TOPS) System.
- 3. You cannot elect both the Automatic Transfer of Interest and Automatic Transfer of Fixed-Dollar Amount methods simultaneously.
- 4. You cannot elect the Investment Simplifier program if the Asset Rebalancing Program Option II is in effect.
- 5. If you request a transfer while the Investment Simplifier program is in effect, we will process the transfer as requested; the Investment Simplifier program will remain in effect unless you request that it be canceled in writing.
- 6. Investing in the variable investment options does not guarantee a profit or protect against loss in a declining market. (Of course, the principal in your GIO is not affected by the stock market.)
- 7. The amount withdrawn from the GIO may be limited if you invest or reserve the right to invest in the EQ/Money Market, EQ/Intermediate Government Bond, EQ/Quality Bond Plus, EQ/Core Bond Index or Multimanager Core Bond. Please refer to your prospectus for more information.
- 8. Financial transactions will be verified by a confirmation notice. If you do not receive a notice within 14 days of the transaction, please notify us immediately.

Automatic Transfer of Interest.

- 9. Equitable will verify that a minimum of \$7,500 is in your GIO as of the first business day of the month following receipt of this form by Equitable's EQUI-VEST Processing Office. The first transfer will occur on the last business day of that month, and future transfers will occur on the last business day of each month.
- 10. If the amount in your GIO falls below \$7,500 at the beginning of the month, no transfer will be made that month. The interest sweep feature will automatically stop if this occurs for two consecutive months.

Automatic Transfer of Fixed-Dollar Amount.

- 11. Equitable will verify that a minimum of \$5,000 is in your GIO upon receipt of this form by Equitable's EQUI-VEST Processing Office. The first transfer will occur on the last business day of that month, and future transfers will occur on the last business day of each month.
- 12. This election will automatically stop under these circumstances: the number of transfers indicated on this form have been completed and the balance in the GIO is zero.
