4. AUTHORIZATION

I hereby authorize Equitable to accept telephone transfer requests for the contract referred to in Section 1 from any person furnishing the Personal Identification Number indicated in Section 2. I understand that Equitable will not be liable for any loss, liability, costs, or expense arising out of a transfer authorized by telephone, and that Equitable reserves the right to discontinue the telephone transfer service at any time without notice. This authorization will remain in effect unless revoked by me in writing. ***I am making a copy of this form and returning the original.***

For EQUI-VEST contracts only, I also understand that I am entitled to select either ***Maximum Transfer Flexibility*** *or* ***Maximum Fund Choice,*** *as described in the prospectus and in Section 3 of this form. I further understand that if I have not previously made this selection, and I do not complete Section 3 above and want to use TOPS, I am consenting to the amendment of my contract to include* ***Maximum Transfer Flexibility.***

For your protection, California law requires the following to appear on this form. Any person who knowingly presents false or fraudulent information to obtain or amend insurance coverage or to make a claim for the payment of a loss is guilty of a crime and may be subject to fines and confinement in state prison.

Declaration: Certain EQUI-VEST contracts, especially those issued before 1994, limit contractholders to the following five investment options: the Guaranteed Interest Option (GIO), EQ/Money Market, EQ/Common Stock Index, Multimanager Aggressive Equity and the EQ/Moderate Allocation. I understand that if my contract limits me to these five options and I want to use TOPS, I must consent to the amendment of my contract *(there is no charge to you for the amendment of your contract)* to include additional investment options on one of the bases described below. *For a full description of the EQUI-VEST investment options, including all charges and fees and any restrictions, please read your prospectus carefully.*

5. TERMS AND CONDITIONS OF SERVICE

Equitable will act on telephone transfer and/or allocation change instructions for the contract referred to in *Section 1* from any person using the designated Personal Identification Number in *Section 2,* subject to the following conditions:

1. TOPS is available either on a touch-tone telephone or on rotary dial equipment with a touch-tone line and adapter.
2. No telephone instruction will be taken unless the *Personal Identification Number* is furnished.
3. Only one transfer request for each Fund is permitted on any one day and cannot be revoked during that day.
4. Equitable will provide transfer, allocation change and Investment Simplifier services 24 hours a day, 7 days a week. A request must be *completed and confirmed* before the time that the New York Stock Exchange closes (4 PM Eastern Time or earlier) to be processed as of the close of an Equitable business day on the date that the request is made. Requests received after the closing of the New York Stock Exchange (or on days when it is not open) will be made effective as of the close of business on the following business day. Equitable will not be responsible for the unavailability of the transfer facility due to system problems, scheduling requirements, power surges, or any other failures.
5. Eligible transfers will be made in the order requested. The amount available for transfer is based on the unit value at the end of the business day. If the requested transfer amount equals the quoted annuity value of the Fund, the entire balance will be transferred as indicated. If the request is for a transfer of the total amount from a Fund and if the unit value has increased by the time the actual transfer is made, the excess monies will be added to the monies being transferred to the last Fund specified. If the unit value has decreased by the time the actual transfer is made, the lesser amount will be transferred to the last Fund specified.
6. Allocation change requests apply only to future contributions. Requests must specify the percentage for each Fund in whole numbers and the total must equal 100%.
7. Only whole-dollar amounts can be transferred.
8. The amount transferred from the Guaranteed Interest Option into other Funds may be limited if you have the right to invest in the EQ/Money Market, EQ/Intermediate Government Bond Index, EQ/Quality Bond PLUS or Multimanager High Yield Funds. See your prospectus for more information.
9. A transfer, allocation change, or Investment Simplifier transaction will not be processed unless the person making the request receives an acknowledgement (before terminating the telephone connection) that the request has been filed.
10. Equitable can make changes in the above terms and conditions or additional limitations by sending written notification to the Owner.
11. If any information is not provided in *Sections 1* and *2*, this request may not be accepted.
12. Equitable may withdraw or restrict TOPS privileges if it determines that you have engaged in excessive trading, market timing or other disruptive transfer activity.

FOR EASY ACCESS AND INFORMATION ON YOUR INVESTMENTS, CALL 1-800-755-7777

CLIENT INSTRUCTIONS

You can access TOPS service 24 hours a day, 7 days a week. Here's how TOPS works:

1. Use a touch-tone telephone or rotary dial equipment with a touch-tone line and adapter to call 1-800-755-7777.
2. You will be asked for your contract number. Key in the contract number followed by the # key.
3. You will be asked for your Personal Access number. Key in the last four digits of your Social Security number followed by the # key.
4. You will be given menu options from which you can choose if you want to hear unit values, contract information, or, if you have a Personal Identification Number (PIN), initiate transactions including allocation changes and division transfers among the investment options. If you do not have a PIN or do not remember the 5-digit number that you chose, please complete the TOPS enrollment form. For security reasons our Service Representatives will not provide your PIN to anyone who requests it. For that reason, if you lose your PIN, you will be required to apply for a new PIN.

Use the numerical codes listed next to the funds to identify the Funds you want to transfer from and to.
