3. One-Time Transfer of Policy Account Value

Completing the Form

- Please see Fund Choices Section 7 for a full list of investment option choices by product.
- On Page 2, complete the section entitled "Transfer From" by indicating each investment option and the percentage or dollar amount of the Policy Account Value to be transferred out of that investment option.
- Complete the section transfer "To" by indicating each investment option and the percentage or dollar amount of the Policy Account Value to be transferred into that investment option.
- Your request must indicate either all whole percentages or all dollar amounts for each investment option included in the transfer.
- The sum of the percentages or dollar amounts in the destination option must equal:
 - 1) The total dollar amount indicated in "Transfer From" column, or
 - 2) 100% if a percentage of the Policy Account Value is transferred.
- To transfer the entire balance out of any investment option, the percentage you indicate must be 100%.
- A request to "Transfer From" and "To" the same investment option is not allowed.
- For original VLI policies (40 Pay Life, Whole Life, Increasing Protection, Increasing Face, Level Face, Champion):
 - 1) Premiums must be paid to or beyond the effective date of the transfer.
 - 2) A transfer of 100% of the balance in an account will automatically change the net annual premium allocation.
 - 3) The amount in the destination investment option must always be expressed as a percentage.
- For your request to be accepted, all alterations must be initialed and dated by the owner.
- Separate forms are required unless all policies listed are commonly owned.
- Check your prospectus for investment options available with your specific policy.

Attach an additional completed form if more transfers are requested than this section allows.

Requesting a One-Time Transfer of Policy Account Value while enrolled in an Asset Rebalancing Service will NOT automatically terminate or change your allocation instructions on file for the Asset Rebalancing Service if you previously enrolled in such service. The allocation instructions currently on file for your Asset Rebalancing Service will remain in effect UNLESS we receive written instructions to specifically change or cancel your Asset Rebalancing Service. Please see Section 6, Asset Rebalancing Service (Enrollment In or Changes to Existing Service), on page 4 for more information.

4. Change Allocation of Net Premiums and/or Monthly Deductions

Completing the Form

- ☐ By checking this box, I authorize a One-Time Allocation of Net Premium. This payment allocation applies to the **enclosed payment only**. Complete Section 7, Column A.
- ☐ By checking this box, I authorize an Allocation Request for Current and Future Net Premiums and/or Monthly Deductions. Complete Section 7, Columns A and/or B.
- ☐ **By checking this box, I authorize you to change my existing Asset Rebalancing Service to reflect the instructions requested below in Section 7, Column D.**

This request will remain in effect until changed through available self-service options or until a written request from the Owner is received by Equitable's Administrative Office after the effective date of this change.

- Allocation of Net Premiums and/or Monthly Deductions (except for original VLI policies) and Asset Rebalancing Service must be individually specified.
- For original VLI policies, percentages should be indicated only in the "Premiums" Column A (Section 7). One-Time Allocation of Net Premium is not available.
- For each funding option selected, indicate a whole percentage for the allocation. The total of all allocations must equal 100%.
- For your request to be accepted, all alterations must be initialed and dated by the Owner.
- Check your prospectus for investment option available with your policy.
- IL Optimizer — to elect Market Stabilizer Options*, use Catalogue #145564.

4. Change Allocation of Net Premiums and/or Monthly Deductions (continued)

Requesting a Change Allocation of Net Premiums or Monthly Deductions while enrolled in an Asset Rebalancing Service will NOT automatically terminate or change your allocation instructions on file for the Asset Rebalancing Service if you previously enrolled in such service. The allocation instructions currently on file for your Asset Rebalancing Service will remain in effect UNLESS we receive written instructions to specifically change or cancel your Asset Rebalancing Service.

5. One-Time Asset Rebalancing Request

The Guaranteed Interest Account, the Market Stabilizer Option and Market Stabilizer Option II* are not available under the Asset Rebalancing Service. Funds within these investment options will not be included in the rebalancing transaction.

Completing the Form

A One-Time Asset Rebalancing can be requested to reallocate your Policy Account Value among Fund Choices.

- ☐ By checking this box, I authorize a One-Time transfer of the balance of certain funds. Complete Section 7, Column C.
- ☐ By checking this box, I authorize you to change my existing Asset Rebalancing Service to reflect the instructions requested above in Section 7, Column D.

Asset rebalancing is not available on original VLI or SP-Flex policies.

For request to be accepted, all alterations must be initialed and dated by the Owner.

Indicate the percentage of Policy Account Value desired in each investment option (minimum of 2% for each investment option selected, up to a maximum of 50 investment options).

Percentages must be in whole numbers and must total 100%.

Asset rebalancing is not available if your policy already has Automatic Transfer Service/Dollar Cost Averaging.

Check your prospectus for eligibility of the asset rebalancing request or funds available with your policy.

- ☐ Check here to terminate your existing Automatic Transfer Service/Dollar Cost Averaging.

Requesting a One-Time Asset Rebalancing Request while enrolled in an Asset Rebalancing Service will NOT automatically terminate or change your allocation instructions on file for the Asset Rebalancing Service if you previously enrolled in such service. The allocation instructions currently on file for your Asset Rebalancing Service will remain in effect UNLESS we receive written instructions to specifically change or cancel your Asset Rebalancing Service.

6. Enrollment In or Changes to Existing Asset Rebalancing Service

The Guaranteed Interest Account, the Market Stabilizer Option and Market Stabilizer Option II* are not available under the Asset Rebalancing Service. Funds within these investment options will not be included in the rebalancing transaction.

You can enroll in our Asset Rebalancing Service to automatically reallocate your Policy Account Value among fund choices in accordance with your chosen allocation percentages on a recurring basis.

No changes will be made to your existing Asset Rebalancing Service or your enrollment in the Asset Rebalancing Service unless a box below is checked.

- ☐ By checking this box, I authorize the immediate termination of my Asset Rebalancing Service.
- ☐ By checking this box, I authorize you to change my existing Asset Rebalancing Service to complete Section 7, column D.
- ☐ By checking this box, I am enrolling in Asset Rebalancing Service. Please also complete
- ☐ **Asset Rebalancing is not available if you are currently enrolled in Automatic Transfer Service/Dollar Cost Averaging. Check here to terminate your existing Automatic Transfer Service/Dollar Cost Averaging.**

A, B, and C below. Refer to Section 7 to make your Fund Choice(s) in Column D.

A. Desired frequency: ☐ Quarterly ☐ Semiannual ☐ Annual

B. Indicate a start date for recurring asset rebalancing: _____
(mm/dd/yyyy)

To be valid, this form must be received at Equitable's Administrative Office prior to the start date you indicate above.

C. (Optional) Indicate an end date for recurring asset rebalancing: _____
(mm/dd/yyyy)

If no end date is provided, we will continue to rebalance until we receive written instructions to stop or change the rebalancing service.

7. Fund Choices

In addition to completing this section, the Policy Owner must complete either Section 3, 4, 5 or 6.

A check mark indicates the fund is available for that product. N/A indicates the fund is not available for that product.

9. Special Instructions

General Information about One-Time Transfer of Policy Account Value

- Transfer of Policy Account Value is permitted among any of the investment options available for your policy.
- Transfer will be effective on the date your properly completed request is received at Equitable's Administrative Office. For original VLI policies, the premium must be paid to or beyond the effective date of the transfer.
- A notice confirming your transfer will be sent to you.
- If a request cannot be fully administered, only the part that is in good order will be processed. Any part of the request that cannot be processed will be denied and an explanation will be provided to you.
- The minimum amount that may be transferred is the lesser of the:
 - 1) "Minimum Transfer Amount" shown in the Policy Information Section of your policy, or
 - 2) Available balance in the investment option from which the transfer is requested.
- Up to 12 transfers in each policy year are allowed without charge for pre-IL/SIL '99 products. We reserve the right to charge up to \$25 for any additional transfer in a policy year. The transfer amount includes the transfer fee, as applicable.
- There is no restriction on the number of transfers allowed without charge for IL/SIL '99 and later products.
- For original VLI policies, a transfer of 100% of the balance in an option will automatically change the net annual premium allocation.
- Refer to the Investment Options Section of your policy prospectus for additional details.
- Your policy is not designed for "market timing" or to accommodate programmed transfers, frequent transfers or transfers that are large in relation to the total assets of the underlying portfolios. Please see the policy prospectus and the prospectuses of the underlying trusts for more information.

General Information about Change in Allocations

- Your policy allows you to determine how your net premiums are to be allocated and how monthly charges are to be deducted from your Policy Account Value.
- Allocation instructions will be effective on the date your properly completed request is received at Equitable's Administrative Office. For original VLI policies, the premium allocation change will take effect on the next policy anniversary date, provided the request is received at Equitable's Administrative Office at least seven calendar days before that date.
- Amount in your Policy Account Value and deductions from it are allocated among the investment options, including the unloaned portion of the Guaranteed Interest Account.
- You elect how to allocate net premiums and from which investment funds monthly charges are deducted.

General Information about Asset Rebalancing Service

- Asset rebalancing service instructions will remain in effect until:
 - 1) New written instructions are provided, or
 - 2) The service otherwise terminates as elected on this form.
- You must notify us in writing to terminate the program.
- Asset rebalancing service will be effective on the date your properly completed request is received at our Administrative Office.
- The Guaranteed Interest Account and Market Stabilizer Option* are not available under the asset rebalancing service.
- Asset rebalancing service is not available on original VLI policies.
