Insurance Benefits

We will pay the insurance benefits of this policy to the Beneficiary when we receive: (1) proof satisfactory to us that the Insured Person died while this policy was in force; (2) the policy or proof of its loss; and (3) proof of interest of the claimant.

These insurance benefits include the following amounts, which we will determine as of the date of the Insured Person’s death:

- The Face Amount of this policy shown on Page 3;
- *Plus* any other benefits then due from riders to this policy;
- *Plus or minus* any adjustments for the last premium as described in the Premiums section.

Interest on the resulting amount shall accrue and be payable from the date of death. Interest shall accrue at a rate not less than the Two Year Treasury Constant Maturity Rate as published by the Federal Reserve. In determining the effective annual rate or rates, we will use the rate in effect on the date of death.

Interest shall accrue at the effective annual rate determined above, plus additional interest at a rate of 10% annually beginning with the date that is 31 calendar days from the latest of Items 1, 2 and 3.

1. The date that due proof of death is received by us;
2. The date the company receives sufficient information to determine its liability, the extent of the liability, and the appropriate payee legally entitled to the proceeds; and
3. The date that legal impediments to payment of proceeds that depend on the action of parties other than the company are resolved and sufficient evidence of the same is provided to the company. Legal impediments to payment include, but are not limited to (a) the establishment of guardianships and conservatorships; (b) the appointment and qualification of trustees, executors and administrators; and (c) the submission of information required to satisfy state and federal reporting requirements.

We will pay these benefits only if premiums have been paid as required by this policy.

Payment of these benefits may also be affected by other provisions of this policy. See the General Provisions section where we specify our right to contest the policy, what happens if age or sex has been misstated, and the suicide exclusion. Additional exclusions or limitations (if any) are listed on Page 3.

POLICY INFORMATION

[Conversion Privilege]

You may exchange this policy for a new policy, as defined in The New Policy provision, as applicable, on the life of the Insured Person without evidence of insurability. This exchange is subject to the requirements stated below.

CONVERSION NOT DURING DISABILITY. You may exchange this policy provided that (1) the written request for exchange is made on or before the Final Conversion Date shown above; (2) all premiums for this policy have been duly paid; and (3) if there is a Disability Premium Waiver rider in effect under this policy, the Insured Person is not then totally disabled as defined in that rider (for conversion during disability see provision below).

The New Policy - The new policy may be on any plan of life insurance, except for term insurance, that we or an affiliate of ours offer on the date of exchange subject to our or our affiliate's rules then in effect as to plan, age and class of risk.

[The new policy will have an insurance amount equal to the amount of insurance in effect on this policy.] Or, you may choose any lower amount allowed by our or our affiliate's rules in effect on the date of exchange.

If additional benefit riders are in effect under this policy on the date of exchange, you may choose that the new policy contain similar riders, if available, subject to our or our affiliate's rules in effect on the date of exchange.

The Register Date of the new policy will be the date of exchange. [Premiums and charges for the new policy will be based on our or our affiliate's rates in effect on that date] [and for the same class of risk as for this policy, or the closest comparable class]. [They will be for the Insured Person's then attained insurance age]. The first premium for the new policy must be paid on or within 31 days before the date of exchange.

Except as to any new additional benefit riders included in the new policy, the suicide exclusion and incontestability periods of the new policy will be determined from the Date of Issue of this policy instead of from the date of issue of the new policy.

CONVERSION DURING DISABILITY. You may exchange this policy if there is a Disability Premium Waiver rider in effect under this policy and the Insured Person is then totally disabled as defined in that rider. You may do this provided that (1) the written request for exchange is made on or before the Final Conversion Date shown above; and (2) all premiums for this policy have been duly paid or are being waived under the terms of that rider. If the request is made on or after the policy anniversary nearest the Insured Person's 65th birthday, the new policy will not be permitted to contain a rider providing disability waiver benefits.

The New Policy – The new policy may be on any plan of life insurance, except for term insurance, that we or an affiliate of ours offer on the date of exchange subject to our or our affiliate's rules then in effect as to plan, age and class of risk.

[The new policy will have an insurance amount equal to the amount of insurance in effect on this policy.] Or, you may choose any lower amount allowed by our or our affiliate's rules in effect on the date of exchange.

If additional benefit riders are in effect under this policy on the date of exchange, you may choose that the new policy contain similar riders, if available, subject to our or our affiliate's rules in effect on the date of exchange. If you exchange this policy before the policy anniversary nearest the Insured Person's 65th birthday and while the Insured Person is totally disabled as defined in a Disability Premium Waiver rider in effect under this policy, we will issue the new policy with a Disability Premium Waiver rider, if available. If that specific rider is not available, we will issue the new policy with another rider that provides disability waiver benefits, if available. Waiver benefits under the new policy due to total disability of the Insured Person will be provided according to the terms of the rider issued.

The Register Date of the new policy will be the date of exchange. [Premiums and charges for the new policy will be based on our or our affiliate's rates in effect on that date] [and for the same class of risk as for this policy, or the closest comparable class]. [They will be for the Insured Person's then attained insurance age]. The first premium for the new policy must be paid on or within 31 days before the date of exchange.

The suicide exclusion and incontestability periods of the new policy will be determined from the Date of Issue of this policy instead of from the date of issue of the new policy.

We will waive premiums for the new policy as stated in its Disability Premium Waiver rider while total disability continues. We will not waive premiums on and after the policy anniversary nearest the Insured Person's 65th birthday for a total disability that began on or after the policy anniversary of this policy nearest the Insured Person's 60th birthday.]

Policy Owner and Beneficiary

OWNER. The Owner of this policy is the Insured Person unless otherwise stated in the application, or later changed. Changes in the Owner, unless otherwise specified by you, shall take effect on the date the notice of change is signed by you, subject to any payments made or actions taken by us prior to receipt of this notice. As Owner, you can exercise all the rights in this policy while the Insured Person is living. You do not need the consent of anyone who has only a conditional or future ownership interest in this policy. If there are multiple owners, consent of all owners is required to exercise the rights in this policy.

BENEFICIARY. The Beneficiary is as stated in the application, unless later changed. Changes in the Beneficiary, unless otherwise specified by you, shall take effect on the date the notice of change is signed by you, subject to any payments made or actions taken by us prior to receipt of this notice. If two or more persons are named, those surviving the Insured Person will share equally unless otherwise stated.

If there is no stated Beneficiary living at the death of the Insured Person, we will pay the insurance benefits to the children of the Insured Person who then survive, in equal shares. If none survive, we will pay the estate of the Insured Person.

CHANGES. While the Insured Person is living, you may change the Owner or Beneficiary by submitting written notice in a form satisfactory to us. You can get such a form from your agent or by writing to us. The change will take effect on the date you sign the notice, unless otherwise specified by you, except that it will not apply to any payment we make or other action we take before we record the notice.

ASSIGNMENT. You may assign this policy, except as restricted by applicable law or regulation; however, we will not be bound by an assignment unless we have recorded it. Your rights and those of any other person referred to in this policy will be subject to the assignment. We assume no responsibility for the validity of any assignment. An absolute assignment will be considered as a change of ownership to the assignee. The assignment, unless otherwise specified by you, will take effect on the date you sign the assignment notice, except that it will not apply to any payment we make or other action we take before we record the notice.

Premiums

AMOUNTS AND DUE DATES. Page 3 shows the amounts and due dates of the premiums payable until the Final Term Expiry Date. Premiums are level during the initial level premium period shown on Page 3. After the initial level premium period, premiums generally increase annually on each policy anniversary. Each premium is payable on or before its due date. We will furnish you with a premium receipt, signed by one of our officers, upon request.

You may write and ask us to change the frequency of your premium payment. A premium payment change is subject to our rules in effect at the time of change. If you pay your premium other than annually, the total amount of premiums you pay each year will be more than if you paid the premium annually. Premiums for modes other than annual (semi-annual, quarterly or monthly) are calculated by applying the modal factor shown on Page 3 to the basic annual rate per \$1,000 of face amount, times the face amount divided by 1,000 and adding the modal policy fee also shown on Page 3.

GRACE PERIOD. We allow a grace period of 31 days for payment of each premium, after the first premium. The insurance will continue during the grace period.

LAPSE. If a premium is not paid by the end of its grace period, the policy will lapse as of the premium due date. If this occurs, all insurance ends at the end of the grace period.

PREMIUM REFUND UPON CANCELLATION OF POLICY. You may cancel this policy by sending us a written request for cancellation, in a form acceptable to us. Insurance coverage ends on the date we receive your written request. Upon cancellation of this policy, you are entitled to a refund of premiums for the remainder of the period for which premiums were paid.

REINSTATEMENT. You may reinstate this policy within five years after lapse, but not later than the Final Term Expiry Date, if: (1) you provide evidence of insurability for the Insured Person satisfactory to us; and (2) if the policy is reinstated during the initial level premium period shown on Page 3, you pay all overdue premiums with interest at 6% per year compounded annually; if the policy is reinstated after the initial level premium period has ended, you pay one month's premium to cover the grace period with interest at 6% per year compounded annually.

PREMIUM ADJUSTMENT. We will add to the insurance benefits any part of the last premium paid that applies to a period beyond the policy month in which the Insured Person dies. If the Insured Person dies during the grace period of an unpaid premium, we will deduct from the benefits the overdue premium covering one policy month. These are the adjustments for the last premium referred to on Page 2.

General Provisions

THE CONTRACT. We provide this insurance in consideration of payment of the required premiums. This policy, any riders or endorsements, and the attached copy of the application for it make up the entire contract.

Only our Chairman of the Board, our President or one of our Vice Presidents can modify this contract or waive any of our rights or requirements under it. The person making these changes must put them in writing and sign them.

INCONTESTABILITY. We have the right to contest the validity of this policy based on material misstatements made in the initial application for this policy. However, in the absence of fraud, subject to state law, we will not contest the validity of this policy after it has been in effect during the lifetime of the Insured Person for two years from the Date of Issue shown on Page 3.

We also have the right to contest the validity of any policy change or reinstatement based on material misstatements made in any application for that change or reinstatement. In the absence of fraud, subject to state law, we will not contest any policy change that requires evidence of insurability, or any reinstatement of this policy, after the change or reinstatement has been in effect for two years during the lifetime of the Insured Person.

No statement shall be used to contest a claim unless contained in an application.

All statements made in the application are representations and not warranties.

See any additional benefit riders for modifications of this provision that apply to them.

FRAUD EXCEPTION. As used in the INCONTESTABILITY and CHANGE IN RISK CLASSIFICATION provisions, fraud shall mean false statements, representations and warranties knowingly and intentionally provided, or caused to be provided, by any person involved in the procurement of any coverage provided under the policy, for the purpose of inducing the company to accept a risk or assume a hazard it would otherwise not have so accepted or assumed.

AGE AND SEX. If the Insured Person's age or sex has been misstated, any benefits will be those that the premium paid would have purchased at the correct age and sex.

SUICIDE EXCLUSION. If the Insured Person commits suicide, while sane or insane, within two years after the Date of Issue shown on Page 3, our liability will be limited to the payment of a single sum equal to the premiums paid. If the Insured Person commits suicide, while sane or insane, within two years after the effective date of any policy reinstatement, our liability will be limited to the payment of a single sum equal to the premiums paid on and after the effective date of reinstatement.

POLICY PERIODS AND ANNIVERSARIES. Policy years, policy months, policy anniversaries and premium periods are measured from the Register Date. Each policy month begins on the same day in each calendar month as the Register Date.

POLICY CHANGES. You may add additional benefit riders or make other changes, subject to our approval and rules at the time of change.

CHANGE IN RISK CLASSIFICATION. Any Insured Person may be eligible for a more favorable risk classification, if available, including a change from tobacco user premiums to non-tobacco user premiums. Upon request made to us, we will provide forms and instructions as to how you may apply for such a change. The change will be based upon our general underwriting rules in effect at the time of application, which may be different from those which applied at the time this policy was issued. An application for a change in tobacco user status may be evaluated based on other underwriting criteria as well as tobacco use, and may include a definition of tobacco use different from that which applied at the time this policy was issued. Currently, a non-tobacco user is an insured person who tests negative for nicotine use and meets our regular underwriting rules. The change, if approved, may result in lower future premiums starting on the effective date of the change.

The change in risk classification, if approved, will take effect on the next premium due date that coincides with or next follows the date we approve your request. A copy of your application for the change will be attached to the new "Policy Information" section that we will issue when the change is made. The new section and the application for change will become part of this policy. We may require you to return this policy to us to make the change.

The change in risk classification will be contestable; however, in the absence of fraud, we will not contest the change after it has been in effect for two years during the lifetime of the Insured Person. In the event of a successful contest, the death benefit and any benefits provided by riders to this policy shall be those which would be purchased by the most recent premium, and the cost of any benefits provided by riders, at the premiums for the prior risk classification.

HOW BENEFITS ARE PAID. The insurance benefits are paid immediately in one sum. Amounts paid will not be subject to the claims of creditors or to legal process, to the extent permitted by law.

CONFORMITY WITH INTERSTATE INSURANCE PRODUCT REGULATION COMMISSION STANDARDS. Any provision of this policy that on the provision's effective date is in conflict with the Interstate Insurance Product Regulation Commission standards for this product type is hereby amended to conform to the Interstate Insurance Product Regulation Commission standards for this product type as of the provision's effective date.
