Face amount

All life insurance in force and applied for with Equitable Financial, Equitable America and/or affiliates within the past 12 months from the date of the application. This includes ultimate death benefit amounts of any policy or rider (e.g., ROPR). For Survivorship, order requirements on half the face amount, except for financial underwriting requirements (such as trust documents, financial supplements, Inspection Report, or federal income tax statements), order on the full face amount.

Applicants age 70 and above

Paramed exams include a senior questionnaire with cognitive/frailty tests.

Paramedical exams and laboratory test results

Valid up to 12 months for proposed insureds under age 70; otherwise, up to 6 months. Requirements completed for another carrier will be considered on a case-by-case basis. Equitable reserves the right to request additional requirements if our specifications are not met.

MVR, pharmaceutical profile (Rx check), Inspection Report (EIR), National Credit File (NCF) and other data searches

Will be ordered by the home office.

Electrocardiogram (EKG)

A copy of a resting EKG within the past 12 months may be used in lieu of a current test. The actual tracings (not the EKG report) are required.

Attending physician statement (APS)

Refer to Life underwriting requirements charts. An APS may also be needed to verify the proposed insured's medical history. An APS is not needed for physicals completed for employment, school, insurance, military, FAA (aviation) and Department of Transportation.

Inspection report

A telephone interview with the proposed insured by our preferred vendor to confirm information provided on the application and questionnaires such as the proposed insured's personal data, habits, insurance activity, health, finances, etc.

Documentation of net worth by independent third party

Balance sheets, profit and loss statements, other pro forma documents are examples of acceptable forms of documentation.

Equitable reserves the right to request additional requirements whenever these are deemed necessary. The requirements submitted do not guarantee any specific underwriting rate classification.
