Important Information to Assist with Completion of the New Jersey Claim Form - Part C

Valued Customer:

There is a section of the New Jersey Claim Form (Employer Section Part C) where clarification may be helpful. We hope this document will aid in completion of the claim form.

Base Weeks and Base Gross Wages:

To qualify for benefits, during the first four of the last five completed calendar quarters immediately before the period of disability ("Base Year"), an employee must have (1) earned a certain gross amount in New Jersey covered employment, or (2) earned a certain weekly amount in New Jersey covered employment for at least 20 weeks ("Base Weeks"). Base Year and Base Week qualifying earnings amounts are updated annually on January 1st.

For current qualifying earnings amounts, please visit the New Jersey Department of Labor and Workforce Development at <https://www.nj.gov/labor/ea/rates/rateindex.html>

Taxability of Benefits:

Please see the below excerpt from IRS Publication 15A to assist you in calculating the taxable percent of benefits. Taxability is expected to be less than 100 percent when the employee is contributing to the cost of the coverage.

Excerpt from IRS Publication 15A, Page 17 and 18: *Group policy.* If both the employer and the employee contributed to the sick pay plan under a group insurance policy, figure the taxable sick pay by multiplying total sick pay by the percentage of the policy's cost that was contributed by the employer for the 3 policy years before the calendar year in which the sick pay is paid. If the policy has been in effect fewer than 3 years, use the cost for the policy years in effect or, if in effect less than 1 year, a reasonable estimate of the cost for the first policy year.

Example. Alan is employed by Edgewood Corporation. Because of an illness, he was absent from work for 3 months during 2015. Key Insurance Company paid Alan \$2,000 sick pay for each month of his absence under a policy paid for by contributions from both Edgewood and its employees. All of the employees' contributions were paid with after-tax dollars. For the 3 policy years before 2015, Edgewood paid 70% of the policy's cost and its employees paid 30%.

Because 70% of the sick pay paid under the policy is due to Edgewood's contributions, \$1,400 ($\$2,000 \times 70\%$) of each payment made to Alan is taxable sick pay. The remaining \$600 of each payment that is due to employee contributions is not taxable sick pay and is not subject to employment taxes. Also, see *Example of Figuring and Reporting Sick Pay*, later in this section.
