## Success story

# Equitable Term-in-10<sup>SM</sup>

**For this Equitable Advisor and her client, Term-in-10<sup>SM</sup> really was time well spent. Here's why.**

### The situation

When a client called Equitable Advisors Financial Professional Samantha Curtin to explore purchasing a life insurance policy, she was happy to help. However, she knew he'd had a poor experience purchasing life insurance in the past, so she wanted to make sure this time went smoothly.

- The client, a 50-year-old man, wanted a small policy.
- He was price conscious.

Samantha had heard how quick and easy the Term-in-10<sup>SM</sup> process was, so she decided to try it.

### The result

While on the phone with the client, Samantha filled out the Term-in-10<sup>SM</sup> pre-application form, which sent the client an email with a link to start the application. He completed the questions to get his initial quote. He liked the price, finished the rest of the application on his own and called Samantha back in less than 10 minutes. The first thing he said was, "That was so easy!" He got the coverage he needed without the hassle.
