Portfolios feature Equitable's proprietary managed-volatility strategy (or invest in underlying portfolios that feature this strategy) that currently utilizes futures and options to manage equity exposure when market volatility increases above specific thresholds set for the portfolio. It is not possible to manage volatility fully or perfectly, which could cause these portfolios to underperform or experience losses.

Investment options and available share classes are subject to change. Contact your financial professional for the most up-to-date list of investment options and available share classes.

**Amounts in variable investment options are subject to fluctuation in value and market risk, including loss of principal. You should consider the charges, risks, expenses and investment objectives carefully before investing. For a prospectus containing this and other information on the investment options listed here, you should contact your financial professional. Please read the prospectus carefully before you invest or send money.**

The Retirement Gateway<sup>®</sup> investment options contain various types of investments, including variable investment trusts and mutual funds. Certain investment funds may contain different investments than similarly named investment funds of a different type

offered by the money manager. Investment results of the different types of similarly named investments may be higher or lower. Please see the investment fund's prospectus for more information on the type and structure of the investment.

A group variable annuity is a long-term financial product that is used for retirement purposes. In its most basic form, a group annuity is a contract between a company and an insurance company to allow company employees (participants) to make contributions toward a retirement account and then be able to receive payments from the account during retirement years. There are contract limitations and fees associated with variable annuities, which include, but are not limited to, mortality and expense risk charges, sales and withdrawal charges, administrative fees and charges for optional benefits.

Retirement Gateway<sup>®</sup> is a group deferred flexible premium combination fixed and variable annuity contract and is a registered service mark of Equitable Financial Life Insurance Company. Retirement Gateway<sup>®</sup> group variable annuity contract is issued by Equitable Financial Life Insurance Company (Equitable Financial) (NY, NY). Co-distributed by Equitable Advisors, LLC (member FINRA, SIPC) (Equitable Financial Advisors in MI & TN) and Equitable Distributors, LLC. Equitable Financial, Equitable Advisors and Equitable Distributors are affiliated companies and do not provide tax or legal advice.

Retirement Gateway<sup>®</sup> contract forms #: 2005GAC QP, 2017RG-457, 2016RDPIB-RG, 2016QPRG and any state variations.
