Equitable believes education is a key step toward addressing your financial goals, and we've designed this material to serve simply as an informational and educational resource. Accordingly, this material does not offer or constitute investment advice and makes no direct or indirect recommendation of any particular product or of the appropriateness of any particular investment-related option. Your needs, goals and circumstances are unique, and they require the individualized attention of your financial professional.

Portfolios feature Equitable's proprietary managed-volatility strategy (or invest in underlying portfolios that feature this strategy), which currently utilizes futures and options to manage equity exposure when market volatility increases above specific thresholds set for the portfolio. It is not possible to manage volatility fully or perfectly, which could cause these portfolios to underperform or experience losses.

Investment options and available share classes are subject to change. Contact your financial professional for the most up-to-date list of investment options and available

Amounts in variable investment options are subject to fluctuation in value and market risk, including loss of principal. You should consider the risks, charges, expenses and investment objectives carefully before investing. For a prospectus containing this and other information on the investment options listed here, you should contact your financial professional. Please read the prospectus carefully before investing or sending money.

The Retirement Gateway® investment options contain various types of investments, including variable investment trusts and mutual funds. Certain investment funds may

contain different investments than similarly named investment funds of a different type offered by the money manager. Investment results of the different types of similarly named investments may be higher or lower.

Please see the investment fund's prospectus for more information on the type and structure of the investment.

A group variable annuity is a long-term financial product that is used for retirement purposes. In its most basic form, a group annuity is a contract between a company and an insurance company to allow company employees (participants) to make contributions toward a retirement account and then be able to receive payments from the account during retirement years. There are contract limitations and fees associated with variable annuities, which include, but are not limited to, mortality and expense risk charges, sales and withdrawal charges, administrative fees and charges for optional benefits.

Retirement Gateway® is a group variable annuity contract issued by Equitable Financial Life Insurance Company (NY, NY). Co-distributed by affiliates Equitable Advisors, LLC (member FINRA, SIPC) (Equitable Financial Advisors in MI & TN). Equitable, Equitable Advisors and Equitable Distributors do not provide legal or tax advice and are not affiliated with Wilshire Associates Incorporated.

Retirement Gateway® contract form #s: 2005GAC QP, 2017RG-457, 2016RDPIB-RG, 2016QPRG and any state variations.

Equitable is the brand name of the retirement and protection subsidiaries of Equitable Holdings, Inc., including Equitable Financial Life Insurance Company (Equitable Financial) (NY, NY); Equitable Financial Life Insurance Company of America (Equitable America), an AZ stock company with an administrative office located in Charlotte, NC; and Equitable Distributors, LLC. Equitable Advisors is the brand name of Equitable Advisors, LLC (member FINRA, SIPC) (Equitable Financial Advisors in MI & TN).
