As mentioned in LPL's Insured Cash Account Disclosure Booklet, LPL earns fees for administering the Insured Cash Account ("ICA") Program, which fees are dependent on a series of factors, including interest rates paid by our Program Banks (some of which vary on underlying indexes like the Federal Funds Effective Rate), the yield paid to customers on ICA balances, and the total balances maintained by our customers in the ICA. Accordingly, we are unable to predict what LPL's fees will be going forward, but LPL will update this chart promptly following the release of our quarterly earnings following the close of each fiscal quarter, in order to provide you updated fee information.
