Spending and savings accounts

Dependent Care Flexible Spending Account

(immediately eligible)

You may contribute up to \$5,000 pretax annually to the Dependent Care Flexible Spending Account (DCFSA). Use your DCFSA to pay for the care of a dependent child under age 13, or a disabled parent or spouse, so you can work.

Use your LUFSA to pay for dental and vision expenses not covered by your HDHP medical option. Health Savings Account

(immediately eligible if enrolled in HDHP Health Plans)

You may contribute up to \$3,850 pretax annually if you have self-only coverage (\$7,750 for self and family coverage) to the Health Savings Account (HSA). Use your HSA to pay for qualified healthcare expenses for you, your spouse or tax-eligible dependents (including domestic partner), such as coinsurance and deductibles, or you can save it tax-free for future use. The balance in your HSA is yours to keep. If you do not use the full balance of your HSA each year, the remaining funds will roll over from year to year.

In addition to our matching program, the Company offers a Company non-elective contribution:
