

EQUITABLE

# Summer Actuarial Internship Program

Are you ready to pursue a career with purpose?

## You can make a difference

With a passion for our business, we shape our culture and communities to reflect the best of who we are and the company we aspire to be while helping our clients achieve long-term financial security. By supporting and investing in the ambition and well-being of our team, we're determined to build a diverse organization that acts with purpose.

## You can contribute while you prepare for your career

Our program provides summer interns with an in-depth look at a challenging and exciting actuarial career. Combining on-the-job training with structured learning opportunities, you will receive personal attention and guidance to make meaningful contributions to current company initiatives. You will gain firsthand experience with the techniques used to solve insurance business problems by working closely with actuaries across the Pricing, Valuation, Actuarial Modeling and Risk Management areas.

Our diversity is what makes us Equitable. We take pride in who we are, treating everyone with respect and dignity. We celebrate our diversity and inclusion awards and designations, including:

## Required qualifications:

- Passing of at least one actuarial exam OR
- A score of at least 700 on the Math SAT OR
- At least a 3.7 grade in two math classes<sup>1</sup>

## Preferred qualifications:

- Rising senior in an undergraduate or graduate program
- Ability to think creatively, communicate clearly and work collaboratively
- Location of internship: Jersey City, NJ or Charlotte, NC

## Summer highlights:

- Have the opportunity to lead an actuarial project
- Prepare for SOA exams with our prep classes
- Improve technical skills through Excel and VBA trainings
- Participate in weekly professional development activities
- Meet with senior leaders, network with fellow colleagues and develop new skills

Apply today and let's pursue what's possible, together.
