****ALL FORMS MUST BE ORIGINAL INCLUDING ORIGINAL OR CERTIFIED COPIES OF DEATH CERTIFICATES****

Beginning January 1st, 2015 Equitable needs an IRS Form W-9 from each beneficiary on the contract. If you are not a "US Person" and are unable to complete an IRS Form W-9, please contact us for the specific document requirements at (877) 899-3743.

When electing your option you may want to discuss with your financial professional or CPA, in order to make your best informed decision.

^A If the beneficiary is a minor, court appointed guardianship (or similar legal documents) may be required. If a trust is a beneficiary, we will require trust excerpts including title page of trust, all pages referencing initial and successor trustees, signature page, and any amendments.

^B For custodial IRAs we require the Spousal Continuation Option form signed by an authorized officer or branch manager of custodian. Please note back office approval may be required for some custodians.

^C If electing to open a new contract, all New Business requirements & regulations must be followed, in addition to the above requirements. If moving funds to an existing contract, it will require an approved exception.

^D **For Non-Qualified Contract Type:** only available upon the death of the Owner or if the Owner was also the Annuitant. If elected, our Processing Office must receive this payment method within 9 months following the date of death of the Owner or Owner who was also the Annuitant.

For IRA Contract Type: Beneficiary has until 9/30 of the year following the death of the original owner to elect this payment method.
