

Protection worth smiling about

Encourages you to keep your teeth healthy and can pay all of your preventive dental treatment costs when you see an in-network dentist

Watch this quick video to learn more

Equitable's dental network

offers access to

136,000
credentialed dentists

at over **500,000** access points.

Regular dental care is one of the best ways to maintain a winning smile and protect your overall health. With Equitable's dental insurance, you can receive the care you need.

More than 1 in 4 adults in the United States have untreated tooth decay¹

What it does

Can pay for regular cleanings and covers all or part of other procedures, such as fillings, crowns, root canals and braces, depending on your plan.²

How it works

You can visit the dentist for preventative care, such as a cleaning and exam.

If anything else needs to be done to keep your teeth healthy, we'll cover all or a portion of the cost, depending on your plan.²

What it doesn't do

Cover all costs for all dental procedures.

Check with your benefits representative for your company's specific plan details.²
