Equitable Financial Life Insurance Company (NY, NY)

We believe education is a key step toward addressing your financial goals, and we've designed this material to serve simply as an informational and educational resource. Accordingly, this brochure does not offer or constitute investment advice, and makes no direct or indirect recommendation of any particular product or of the appropriateness of any particular investment-related option. Your needs, goals and circumstances are unique, and they require the individualized attention of your financial professional.

Current expenses as of May 1, 2023, and are subject to change.

The investment objectives and policies of certain funds may be similar to those of other funds managed by the same investment advisor. No representation is made, and there can be no assurance given, that any fund's investment results will be comparable to the investment results of any other fund, including another fund with the same investment advisor or manager.

A variable annuity is a long-term financial product designed for retirement purposes. In essence, annuities are contractual agreements in which payment(s) are made to an insurance company, which agrees to pay out an income at a later date. There are contract limitations and fees and charges associated with annuities, which include, but are not limited to, mortality and expense risk charges, sales and withdrawal charges, administrative fees and charges for optional benefits. Amounts in a variable annuity's investment portfolios are subject to fluctuation in value and market risk, including loss of principal. A financial professional can provide cost information and complete details. Withdrawals are subject to normal income tax treatment and, if taken prior to age 59½, may also be subject to an additional 10% federal tax.

This document must be preceded or accompanied by a current prospectus. Please consider the charges, risks, expenses and investment objectives carefully before purchasing a variable annuity or making an investment option selection

The net annual expense is the current expense of the portfolio and may include a reduction in the expense amount for fee waivers or expense reimbursement. Current expenses are from the prospectus and subject to change. Please refer to the prospectus for the amount of the fee waivers and expense reimbursement for a particular portfolio. If fee waivers and expense reimbursement are not applied (gross expense), it could significantly increase the amount of operating expenses for the portfolio.

The investment options listed are available through the Investment Edge® variable annuity. Investment Edge® is a variable annuity designed for investors who want tax-deferred growth potential and a broad spectrum of investment options as they seek wealth for retirement and other life goals. The product offers diversification of investment options, tax deferral and tax-efficient distributions.

Investment Edge® is a registered service mark of Equitable Financial Life Insurance Company, NY, NY 10104.

Investment Edge® (July 2015 version) is issued by Equitable Financial Life Insurance Company, NY, NY 10104. Co-distributed by affiliates Equitable Advisors, LLC (member FINRA, SIPC) (Equitable Financial Advisors in MI & TN) and Equitable Distributors, LLC.

Equitable is the brand name of the retirement and protection subsidiaries of Equitable Holdings, Inc., including Equitable Financial Life Insurance Company (NY, NY); Equitable Financial Life Insurance Company of America, an AZ stock company; and Equitable Distributors, LLC. Equitable Advisors is the brand name of Equitable Advisors, LLC (member FINRA, SIPC) (Equitable Financial Advisors in MI & TN).
