A variable annuity is a long-term financial product designed for retirement purposes. In essence, annuities are contractual agreements in which payment(s) are made to an insurance company, which agrees to pay out an income at a later date. There are contract limitations and fees and charges associated with annuities, which include, but are not limited to, mortality and expense risk charges, sales and withdrawal charges, administrative fees and charges for optional benefits. Amounts in a variable annuity's investment portfolios are subject to fluctuation in value and market risk, including loss of principal. A financial professional can provide cost information and complete details. Withdrawals are subject to normal income tax treatment and, if taken prior to age 59½, may also be subject to an additional 10% federal tax.

This document must be preceded or accompanied by a current prospectus. Please consider the charges, risks, expenses and investment objectives carefully before purchasing a variable annuity or making an investment option selection.

The net annual expense is the current expense of the portfolio and may include a reduction in the expense amount for fee waivers or expense reimbursement. Current expenses are from the prospectus and subject to change. Please refer to the prospectus for the amount of the fee waivers and expense reimbursement for a particular portfolio. If fee waivers and expense reimbursement are not applied (gross expense), it could significantly increase the amount of operating expenses for the portfolio.

The investment options listed are available through the Investment Edge® variable annuity. Investment Edge® is a variable annuity designed for investors who want tax-deferred growth potential and a broad spectrum of investment options as they seek wealth for retirement and other life goals. The product offers diversification of investment options and tax deferral.

Variable annuities are issued by Equitable Financial Life Insurance Company (Equitable Financial) (NY, NY); Equitable Financial Life Insurance Company of America (Equitable America), an AZ stock company with an administrative office located in Charlotte, NC; or Equitable Financial Life and Annuity Company (Equitable Colorado), with an administrative office located in Charlotte, NC. Please refer to your contract for information on the issuing company. Variable annuities issued by an Equitable company are co-distributed by affiliates Equitable Advisors, LLC (NY, NY) (member FINRA, SIPC) (Equitable Financial Advisors in MI & TN) and Equitable Distributors, LLC (NY, NY).

Equitable is the brand name of the retirement and protection subsidiaries of Equitable Holdings, Inc., including Equitable Financial Life Insurance Company (NY, NY); Equitable Financial Life Insurance Company of America, an AZ stock company with an administrative office located in Charlotte, NC; and Equitable Distributors, LLC. Equitable Advisors is the brand name of Equitable Advisors, LLC (member FINRA, SIPC) (Equitable Financial Advisors in MI & TN). The obligations of Equitable Financial Life Insurance Company are backed solely by its own claims-paying ability.
